BOOK SYNOPSIS

With deregulation, privatization, and information technology transforming competition, the transnational model continually evolves. In a timely response to this dynamically changing business world, Bartlett and Ghoshal revisit their breakthrough concepts, updating the material with fresh examples drawn from today's leading global enterprises. The second edition of *Managing Across Borders* builds on the authors' ongoing exploration of the transnational, with their current research extending and illuminating the findings of their earlier work. An entirely new section, "The Transformation Challenge," focuses on how several companies have implemented the book's concepts. We see firsthand the obstacles and opportunities to building an effective transnational organization. This new edition also includes an application handbook, a highly practical tool that helps readers translate the book's ideas into real-world action plans for their companies.

DCG 1 - INTRODUCTION AU DROIT - 2014 2015 - 6E ÉD. - LESSENTIEL EN FICHES - Are you looking for Ebook DCG 1 - Introduction Au Droit - 2014 2015 - 6e éd. - Lessentiel En Fiches?
