BOOK SYNOPSIS

Single mom and veterinary student Talon Reese thinks she is volunteering her time, not her heart or her body, for Marietta Montana's second annual Bachelor Auction. But when Bachelor number 3 hits the stage, igniting every hormone she forgot she possessed, she's questioning her vow of no more men. With a man this drool worthy, some fun doesn't have to be off the table, even if she's not looking for a relationship. Special Forces sniper Colt Ewing blew out of Marietta on graduation day and never looked back, until his former football coach asked for his help. Standing on the auction block is a tough mission for Colt until he meets his winning bidder, a woman who's as warm and friendly as he is aloof and silent. All night her mouth has been creating sexual fantasies, so when she opens it to boldly proposition him, there's no way in hell he's going to say no. But as Colt and Talon burn up the sheets, he begins to forget why he hates this town, and Talon wonders if she can learn to trust enough to fall in love. But will that be enough to convince him to stay?
