## BOOK SYNOPSIS

Welcome to McKenna Ranch! Meet Brody, Callie, Mercer and Parker—the four siblings in the clan of James McKenna, a Montana rancher, and their mom/step mom, Liz. Growing up on the ranch was a great life, until Callie and Parker’s mother passed away, leaving James a widower. It wasn’t long, however, before he remarried, bringing Liz into their lives, along with her son, Brody. Soon, James and Liz added a new McKenna to the family, when daughter Mercer was born. Brothers and sisters are prone to disagreements and this Brady Bunch family of step, half, and full siblings is no exception. As they grew up on the ranch, they learned values that stuck with them throughout their lives—even though they may live apart as adults. But there is one thing that will bring them all back together. Their father’s only wish. Beginning with a short prequel novella that tells the story of James McKenna and Liz Caldera, and how they came to blend their families, these stories put you on the McKenna Ranch near Yellowstone National Park. This series continues with Jan Scarbrough’s Brody, and with Maddie James’ Callie following, with additional stories that bring all the siblings home to the ranch. These sweet to sexy stories give you a glimpse into Montana rodeo and ranch life, and of course, provide lots of contemporary cowboy love and romance. Included in this set: The Montana McKennas: Prequel, Book 1, by Jan Scarbrough and Maddie James Brody, Book 2, by Jan Scarbrough Callie, Book 3, by Maddie James Parker, Book 4, by Maddie James Mercer, Book 5, by Jan Scarbrough Liz, Book 7, by Jan Scarbrough This set does not include Corporate Cowboy, a Montana Heat erotic romance. The heat level of all stories in the set are sweet to sexy (not erotic).
